MTA: Networking Fundamentals (2015)

CHARLES MICHAEL PONIENTE

EXECUTIVE ASSISTANT | QA ENGINEER | JR. TECH SUPPORT LVL 1

PROFILE SUMMARY

Versatile and results-driven **Quality Assurance Engineer, Executive Assistant, and IT Support Specialist** with over 5 years of experience in software testing, remote Level 1 IT diagnostics, and executive administration. Skilled in leveraging AI tools (**ChatGPT**, **Gemini**, **Antigravity**, **Claude**, **Copilot**), building end-to-end automated test suites with **Cypress** and **BugBug.io**, administering multi-project **JIRA** spaces, managing remote endpoints via **Atera**, **AnyDesk**, and **TeamViewer**, and delivering client communications via **Dialpad VoIP**. Recognized for streamlining developer turnaround, enforcing QA standards, and managing complex multi-role workflows with efficiency.

EMPLOYMENT HISTORY

Executive Assistant / QA Engineer / Jr. Tech Support Lvl 1
Jan 2026 – Present

The Digital Room

Executive Assistant:

- Coordinate operational workflows, disseminate tasks across the dev team, and establish clear client project deadlines.
- Maintain data integrity across multi-client systems and execute targeted social media marketing campaigns.

QA Engineer:

- Execute QA testing across desktop web, mobile web, and native mobile apps (iOS & Android).
- Develop and maintain web automation test suites using **Cypress**.
- Administer multi-project JIRA spaces, configuring custom project filters, issue boards, and sprint backlogs.
- Document comprehensive bug recordings via Jam.dev and Developer Tools; execute API and regression test cycles.

Jr. Tech Support Lvl 1:

- Diagnose and troubleshoot Level 1 Windows hardware and software issues remotely using **Atera**, **AnyDesk**, and **TeamViewer**.
- Conduct client support calls with Australian stakeholders using **Dialpad VoIP** while maintaining SLA compliance.

Quality Assurance Tester (Remote)
Oct 2022 – Present

Code Squirrel | Brisbane, Australia

- Integrated **Claude AI** into daily QA workflows to generate exhaustive test scenarios, analyze edge cases, debug automated scripts, and accelerate sprint testing velocity.
- Conducted functional, integration, regression, and performance testing for web (Laravel, WordPress, Shopify, C#) and mobile (React Native for iOS & Android) platforms, tracking defects via JIRA and Git.
- Engineered automation workflows with BugBug.io, validated API payloads using Postman, and performed database trace verification in MySQL and MSSQL.
- Documented reproducible defect recordings via Jam.dev and Loom, supporting customer queries across Zendesk, HubSpot, and Tawk.

Executive Assistant
Jan 2021 – Oct 2022

NXTWORK | Brisbane, Australia

- Prepared executive presentations and documentation using Google Workspace and Slack.
- Managed customer service channels (Gmail, Tawk, 3CX, Meta Business Suite) and tracked customer feedback via Userback.io.

Executive Assistant
Dec 2020 – Feb 2023

Web Design Davao | Davao City, Philippines

- Streamlined calendar management, expense reimbursements, invoicing, and official company document filing.

Technical Support
Sept 2019 – Feb 2020

Davao Light Power & Co. | Davao City, Philippines

- Implemented a customer ticketing workflow to optimize complaint resolution; supported warehouse inventory management.

IT - Jr. System Administrator
Mar 2019 – Aug 2019

Segworks | Davao City, Philippines

- Monitored network/system performance, installed software, and resolved local hardware and network issues.

Customer Service Representative
Jun 2018 – Feb 2019

Alorica - Davao | Davao City, Philippines

- Handled inbound customer communications, resolving issues and minimizing escalation rates.

EDUCATION

Bachelor of Science in Information Technology
University of Mindanao, Davao City | Jun 2013 – Dec 2018
Graduated with Special Award as Skills Clinic Officer and Technical Team Member.

AWARDS & HONORS

1st Runner-Up – Davao Kilig Film Festival 2020 (Feb 2020)
Served as lead videographer for a romantic-comedy short film titled **"Plus Size"** by Healthy Habits entry that earned 1st Runner-Up honors at the festival.
